Chapter 1 Introducing Web Service Patterns *1*

Web Services: Bringing Order to the Internet *3*
Patterns: Bringing Order to Software *5*
Understanding Web Service Patterns *8*
Summary *14*
Additional Reading *14*

Chapter 2 Introducing the P.T. Monday Case Study *15*

Understanding the Current State of the Business *16*
Understanding the Company Vision *16*
Gathering Application Requirements *17*
Making High-Level Application Architecture Decisions *23*
Taking the Next Steps *33*
Summary *33*
Additional Reading *34*

Chapter 3 Exploring the Service-Oriented Architecture Pattern *35*

Defining the Service-Oriented Architecture *36*
Using the Service-Oriented Architecture *37*
Understanding the Structure of the Service-Oriented Architecture *39*
Preparing to Implement a Service-Oriented Architecture *42*
Introducing Web Services, and Implementing the Service-Oriented Architecture *44*
Leveraging Web Services in the Case Study *53*

Summary 55
Related Patterns 55
Additional Reading 56

Chapter 4 Exploring the Architecture Adapter Pattern 57

Facilitating Communication Between Architectures 57
Understanding the Structure of an Architecture Adapter 60
Preparing to Implement Architecture Adapters 63
Understanding Architecture Adapters in Web Services 64
Leveraging Architecture Adapters in the Case Study 71
Summary 73
Related Patterns 74
Additional Reading 74

Chapter 5 Introducing the Service Directory Pattern 75

Seeing the Service Directory in Practice 76
Understanding the Structure of a Service Directory 77
Preparing to Implement a Service Directory 81
Using Universal Description, Discovery, and Integration (UDDI) for Web Services 82
Leveraging Service Directories in the Case Study 95
Summary 96
Related Patterns 97
Additional Reading 98

Chapter 6 Exploring the Business Object Pattern 99

Seeing Business Objects in Practice 100
Understanding the Structure of Business Objects 101
Preparing to Implement Business Objects 105
Implementing Business Objects 106
Summary 113
Related Patterns 113
Additional Reading 114

Chapter 7 Exploring the Business Object Collection Pattern *115*

Seeing Collections in Practice *116*
Understanding the Structure of Business Object Collections *117*
Preparing to Implement Collections *121*
Implementing a Collection Sample *122*
Leveraging Collections in the Case Study *127*
Summary *129*
Related Patterns *130*
Additional Reading *130*

Chapter 8 Exploring the Business Process (Composition) Pattern *131*

Seeing Business Processes in Practice *132*
Implementing a Simple Business Process Structure *136*
Preparing to Implement a Business Process (Composition) *140*
Implementing a Business Process (Composition) *142*
Leveraging Business Processes in the Case Study *148*
Summary *150*
Related Patterns *151*
Additional Reading *151*

Chapter 9 Exploring the Asynchronous Business Process Pattern *153*

Seeing Asynchronous Business Processes in Practice *154*
Understanding the Asynchronous Business Process Structure *155*
Preparing to Implement an Asynchronous Business Process *159*
Implementing an Asynchronous Business Process *160*
Leveraging Asynchronous Business Processes in the Case Study *164*
Summary *165*
Related Patterns *166*

Chapter 10 Exploring the Event Monitor Pattern *169*

Seeing Event Monitors in Practice *169*
Understanding the Event Monitor Structure *172*
Preparing to Implement Event Monitors *176*
Implementing an Event Monitor *178*
Leveraging Event Monitors in the Case Study *182*
Summary *184*
Related Patterns *185*
Additional Reading *186*

Chapter 11 Implementing the Observer Pattern *187*

Seeing the Observer Pattern in Practice *188*
Understanding the Observer Structure *192*
Preparing to Implement an Observer *194*
Implementing the Observer Pattern Using Web Services *195*
Leveraging Observers in the Case Study *200*
Summary *203*
Related Patterns *203*
Additional Reading *204*

Chapter 12 Implementing the Publish/Subscribe Pattern *205*

Seeing Publish/Subscribe in Practice *206*
Understanding the Publish/Subscribe Structure *210*
Preparing to Implement Publish/Subscribe *214*
Implementing Publish/Subscribe *215*
Leveraging Publish/Subscribe in the Case Study *219*
Summary *221*
Related Patterns *222*
Additional Reading *223*

Chapter 13 Exploring the Physical Tiers Pattern *225*

Looking Deeper at the Need for Physical Tiers *226*
Understanding the Structure of the Connector Pattern *230*
Preparing to Implement the Connector Pattern *233*

Implementing the Connector Pattern with Web Services 235
Leveraging Physical Tiers and the Connector Patterns in the Case Study 241
Summary 243
Related Patterns 244
Additional Reading 244

Chapter 14 Exploring the Faux Implementation Pattern 245

Seeing Faux Implementation in Practice 246
Understanding the Faux Implementation Structure 249
Preparing to Use the Faux Implementation Pattern 252
Using a Faux Implementation 252
Leveraging the Faux Implementation in the Case Study 258
Summary 259
Related Patterns 260
Additional Reading 260

Chapter 15 Exploring the Service Factory Pattern 261

Seeing Service Factory in Practice 262
Understanding the Service Factory Pattern Structure 265
Preparing to Implement the Service Factory Pattern 268
Implementing the Service Factory Pattern 270
Leveraging the Service Factory Pattern in the Case Study 274
Summary 276
Related Patterns 277
Additional Reading 277

Chapter 16 Implementing the Data Transfer Object Pattern 279

Seeing the Data Transfer Pattern in Practice 280
Understanding the Structure of the Data Transfer Pattern 281
Preparing to Implement the Data Transfer Patterns 286
Implementing the Data Transfer Object with Web Services 288

Leveraging the Data Transfer Object in the Case Study 292
Summary 294
Related Patterns 295
Additional Reading 295

Chapter 17 Exploring the Partial Population Pattern 297

Seeing Partial Population in Practice 297
Understanding the Structure of the Partial Population Pattern 299
Preparing to Implement the Partial Population Pattern 302
Implementing Partial Population with Web Services 303
Leveraging Partial Population in the Case Study 308
Summary 309
Related Patterns 310

Appendix Using the Pattern Code 311

Installing the Environment 311
Installing Dependent Runtime Environments, Apache Tomcat, Apache Axis, and MySQL 314
Building the Examples 316
Deploying the Examples 317
Populating the Data and Running Samples 317
Finding Updates, Errata, and Documentation in the Downloaded Source Code 318
Using the SourceForge Open-Source Web Site 318
